

# THE Marina counseling center

*The City's Counseling Center*

INTERNSHIPS AVAILABLE

JANUARY 2024

The Marina Counseling Center is seeking trainees and associates who want high quality training and community in a unique mental health setting.

We offer weekly didactic and experiential trainings as well as individual and group supervision within a supportive community environment. There are opportunities to accrue child hours. Some compensation is possible after your first year.

Our program emphasizes an integration of Relational, Contemporary Analytic, and Transpersonal approaches. We seek individuals who are dedicated, skilled, and self-reflective. This internship requires approximately 20 hours per week and a one year commitment.

*We are hiring for our January 2024 Cohort!*
